Importance: High

Dear Jeffrey,

I just had a call from Mr. Antonio Puga at Bank Vontobel in Switzerland. He has spoken with Greg in the past (met him at a seminar in April).

He would like to invest approx. \$1mm into F Sentry for Sep 1, I told him that Class A was closed but that I would see about getting approval for Class B. He said B was fine, to send him the sub docs if approved.

Please let me know if this subscription is approved. Lourdes is the RM, but deals with a different person there.

Thank you,
Lauren
